IMPLEMENTATION OF THE DECLARATION ON THE GRANTING OF INDEPENDENCE TO COLONIAL COUNTRIES AND PEOPLES

Letter dated 25 November 1992 from the Permanent Representative of Grenada to the United Nations addressed to the President of the General Assembly

As you are aware, since its admission to membership of the Organization, the Government of Grenada has closely identified itself with the legitimate aspirations of the peoples of the remaining Trust and Non-Self-Governing Territories and has extended its full cooperation in the efforts of the United Nations for the speedy implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, not only in the Caribbean region, but throughout the world. The delegation of Grenada has thus actively participated in the related activities of the United Nations in this regard.

In keeping with the commitment of my Government to the further acceleration of the process of decolonization, I should like, on behalf of my Government, to indicate to you, and through you, to the General Assembly, for its consideration, the wish of the Government of Grenada to join the membership of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.
